Reports

A weekly statistical report will be provided to the client as part of our service while the campaign is running. A final report with complete data will be provided at the end of the campaign. Any additional or specialized reports requested will be priced according to the time and resources used to generate.

Each account is built individually based on needs, so not all services and costs are listed. If you need a service not listed, please let us know, as it's likely we can provide it.
